INTERNAL MEDICINE JOURNAL

aims and scope

The *Internal Medicine Journal*, formerly known as the *Australian and New Zealand Journal of Medicine*, is the official journal of the Adult Medicine Division of The Royal Australasian College of Physicians (RACP). Its purpose is to publish high-quality original medical research, both laboratory and clinical, relating to the study and research of human disease. Papers will be considered from all areas of medical practice and science. The Journal also has a major role in continuing medical education and publishes review articles relevant to physician education. Except where otherwise stated, articles are peer reviewed.

editorial correspondence

All material for publication should be sent to the Editor-in-Chief, *Internal Medicine Journal*, The Royal Australasian College of Physicians, 145 Macquarie Street, Sydney, NSW 2000, Australia (tel: +61 2 9256 5431; fax: +61 2 9252 3310;
